## Professional Summary

I am a highly motivated and detail-oriented Frontend Developer with strong expertise in React.js, along with a solid foundation in core web technologies including HTML, CSS, and JavaScript. I am passionate about building responsive, user-friendly, and visually appealing web applications. I have hands-on experience in developing dynamic user interfaces, optimizing website performance, and writing clean, maintainable code. I am always eager to learn new technologies and follow best practices to deliver high-quality solutions that enhance the user experience and meet business goals.

## Education

**Bachelor of Computer Applications** (2022–25)
Adarsh B.C.A College, Botad

Vivekanand Shaikshanik Sankul Paliyad Road, Botad

**Secondary School Certificate** (2018–20)
Vivekanand Shaikshanik Sankul Paliyad Road, Botad

## Intership

**Grrass IT Solution**

**Joining:** 9/12/2024 – Pursuing

**Coures:** MERN Stack Intern

## Technical Skills

**HTML:** Responsive website, Forms, Tables

**CSS:** Box Model, Animations, Responsive designs

**Javascript:** Arrays, Event Handlers, Operators.

**React js:** React Router Dom, Hooks

**Node js:** Scalable Server Side Applications

**Express.js:** Restfull API's, Routing

**Mongodb:** Data Storage, Quering

**MySQL:** Relation Data, Data Managment

**Soft Skills:** Problem-solving, Communication

**Developer Tools:** Bootstrap

**Areas of Interest :** Web Development

## Project

**DrumKit App**

**Duration:–** 7 Day

**Technology:** Html, Css, JavaScript

- Created an interactive DrumKit web application using basic web technologies. The app allows users to play different drum sounds either by clicking on-screen buttons or pressing specific keyboard keys.It uses JavaScript event listeners and audio objects to create an engaging user experience.

## Quiz App

**Duration:-** 10 Day

**Technology:** Html, Css, JavaScript, React

- Developed a web-based Online Quiz App using React.js. The application allows users to take timed quizzes on different topics and view their scores after submission. The frontend was built with reusable React components and managed using props and state. Questions and options are dynamically rendered, and the app includes basic validation and score calculation logic.

## Mann Management: Online Shopping & Cosmetic Brand

**Duration:-** 3 month

**Technology:** HTML, CSS, React js, Node js, Express js, Javascript, Redux

- The Beauty Parlour Management System is a software that helps to manage all the work of a beauty parlour in an easy and organized way. This project is designed to handle customer appointments, staff management, billing, and product stock management. It saves time and reduces mistakes that happen in manual work. Customers can book their appointments easily, and the parlour staff can manage their schedules properly. The system keeps records of customers, services taken, payments, and feedback. It also helps to generate bills quickly and manage different payment options like cash or online payments.

## Dice Roll Game

**Duration:-** 5 Day

**Technology:** Html, Css, JavaScript

- Built a fun and interactive Dice Roll Game using JavaScript. The project simulates rolling two dice and displays the result visually. A random number is generated on each roll, and the corresponding dice image is shown to the user.It's a beginner-friendly projectthat demonstrates the use of DOM manipulation and basic logic.

## Portfolio

**Duration:-** 7 Day

**Technology:** Html, Css, JavaScript, React, Node js, Express js, Next js

- This portfolio shows some of my best work. It includes projects I have completed to build my skills and show what I can do. Each piece reflects my creativity, effort, and passion for learning. I hope this gives you a good idea of my abilities and interests. Thank you for taking the time to view my work.

## Additional Sections

**Gender:** Male

**DOB:** 7, August, 2004

**Languages:** Hindi, English, Gujarati

**Hobbies:** Game, Music

## Declaration

I here by declare that the all the above mentioned information is correct and true to best my knowledge.
